MARE

Mare è una collezione fresca e colorata, immediata, come il suo nome, che ci porta subito tra le onde e nella spensieratezza estiva.

I moduli che compongono la collezione sono caratterizzati da forme arrotondate e organiche, tipiche degli arredi anni 60. Questo richiamo al vintage viene ulteriormente sottolineato dalla scelta dei tessuti: le trame delicate riprendono i colori dell'acqua (azzurro, grigio chiaro, verde acqua, blu) e della terra (rosa, sabbia, beige, terracotta), dando alla collezione un aspetto vivace ma mai troppo carico, che, grazie all'utilizzo delle nuance pastello, restituisce eleganza agli imbottiti.

La collezione si compone di elementi modulari che permettono composizioni che spaziano dalla singola poltrona, fino a diventare grandi isole in grado di adattarsi agli spazi più differenti.

Mare is a fresh and colourful collection; it has an immediate effect, like its name, which makes us dive in the waves and in the summer happiness. The modules that create the collection are characterised by round and organised shapes, which are typical of the '60s. The choice of the fabric further highlights this reference to vintage: the delicate weft reminds of the colours of water (light blue, light grey, turquoise, blue) and soil (pink, sand, beige, terracotta), which give the collection a vivid, yet never too heavy aspect. The use of pastel shades donates elegance to the upholstered furniture.

The collection is made up of modular elements that allow various compositions, ranging from a single armchair to large structures that can adapt to areas of different sizes.
