BROGLIATO TRAVERSO

About

Alberto Brogliato and Federico Traverso founded BrogliatoTraverso design studio in 2014. Their approach to design is 'NO TIME, NO SPACE' and refers to ideate objects with a timeless design. BrogliatoTraverso work by creating a detailed sign, but almost invisible. With these finely hinted forms, their creations establish deep intimate empathy with the users and their surroundings, respecting both of them. Their fine simplification process delivers projects addressing the needs of consumers and made for various companies, including Cappellini, Fratelli Guzzini, Infiniti, Il Fanale/Torremato, Myyour. The Studio won many international awards, including the Red Dot Design Award, German Design Award, IF Design Award and Good Design Award.

MORE DESIGN

About

Moredesign, a company based in Padua founded in 2007, which deals with industrial design in line with market needs following the client's requests. Our experience allows us to offer all the creative and design contribution to companies that want to stand out by offering multidisciplinary design. We follow the company and the product in all its development phases by applying innovation in the forms, tightening the designer-company combination giving the guarantee of the final result. We have worked with the most important Italian and foreign brands and our products are present and exported all over the world. We are able to rationalize an idea and always have a lateral thinking, with a single objective: to put man and his needs at the center of every project.
