MR LEM

Ispirato a una navicella spaziale e al primo sbarco sulla luna, Mr Lem è uno sgabello dal design iconico e minimale. Le sue linee decise e la forma simmetrica permettono un pratico incastro: due pouf possono essere sistemati nell'ingombro di uno solo, ottimizzando spazio e trasporto.

Realizzato in Poleasy®, materiale innovativo e resistente, è perfetto per ambienti indoor e outdoor. Impilabile, leggero, facile da pulire e testato per l'uso esterno, aggiunge un tocco glamour e brioso a ogni spazio.

Inspired by a spacecraft and the first moon landing, Mr Lem is a stool with an iconic and minimal design. Its bold lines and symmetrical shape allow for practical stacking: two poufs can fit within the space of one, optimizing storage and transport.

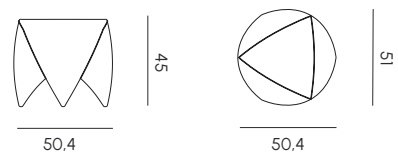

Made of Poleasy®, an innovative and durable material, it's ideal for both indoor and outdoor settings. Stackable, lightweight, easy to clean, and tested for outdoor use, Mr Lem brings a playful and stylish touch to any space.
