VASI
POTS

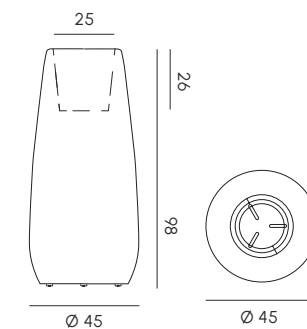

Vasi scolpiti come un taglio di pietre preziose. La collezione Gem, di Paolo Cappello per MY YOUR, è proprio questo. Come monoliti raffinati in tre misure, i vasi Gem diventano protagonisti multifunzionali dello spazio poichè possono sia decorarlo, sia perimetrarlo o entrambe le cose. Appaiandosi, infatti, i tre formati possono comporre con differenti possibilità un divisorio o un cinto perimetrale. Disponibili anche in versione luminosa, con finitura velvet e con fioriera ad uso ice-box. Realizzati in Poleasy®, riciclabili al 100%, si puliscono facilmente e resistono nel tempo agli agenti atmosferici.

Vases sculpted like cut precious stones. The Gem collection, by Paolo Cappello for MY YOUR, is just that. Like refined monoliths in three sizes, Gem vases become multifunctional protagonists of the space as they can decorate it, define its perimeter, or both. When paired, the three sizes can be combined in different ways to create a divider or a perimeter border. Also available in a luminous version, with a velvet finish and with a planter for use as an ice box. Made of Poleasy®, 100% recyclable, they are easy to clean and resistant to atmospheric agents over time.

PANDORA POTS

Pandora Pots sono i vasi in tre dimensioni che completano la collezione Pandora disegnata da Brogliato Traverso per MY YOUR. Le forme minimali ed elegantemente sinuose, il pattern lineare a rilievo e la morbidezza al tatto conferiscono a questi prodotti la totale versatilità di utilizzo. Lo spazio in cui si trovano, infatti, è decorato e sottolineato in modo sempre borghese. Realizzati in Poleasy®, disponibili nella versione goffrata stampata, direct painting e luminosa, si mantengono facilmente e resistono agli agenti atmosferici. La fioriera come per la collezione Gem può essere usata come ice-box grazie al tappo di evacuazione dell'acqua.

Pandora Pots are vases in three sizes that complete the Pandora collection designed by Brogliato Traverso for MY YOUR. Their minimalist, elegantly sinuous shapes, linear relief pattern and softness to the touch make these products extremely versatile. In fact, the space in which they are placed is decorated and emphasised in a consistently bourgeois style. Made of Poleasy®, available in embossed moulded, direct painting and luminous versions, they are easy to maintain and resistant to atmospheric agents. As with the Gem collection, the planter can be used as an ice box thanks to its water drainage cap.
